

Gorka Izagirre represents the modern txakolis of Bizkaia, Gorka Izagirre is made from a native blend of Hondarrabi Zuri and Hondarrabi Zerratia grapes. Grown and harvested entirely in the Basque Country, our 10 vineyard plots span 30 hectares of vineyards that we cultivate with care, in 10 plots spread over 3 valleys, each with different soil characteristics, altitudes, and microclimates. The distinct production of each plot in the winery, allows each vineyard to reach its potential, achieving a wine that is fresh, lively and aromatic, which is surprising upon taste.

Tasting Notes: Golden straw yellow, with green hues and metallic iridescence. The bouquet combines fresh apple with herbaceous ferns, white flowers, and a subtle citric touch. Round in the mouth, this wine is well-balanced with a fresh fruit sensation and bitter dry fruit perfectly blended for a smooth finish.

Type of Wine: Bizkaiko Txakolina

Vineyard: 30 hectares distributed in 10 plots and 3 valleys Vineyard surface: 1.5 hectare

Varieties: 50% Hondarrabi Zuri 50% Hondarrabi Zerratia Planting year: 2003-2020
