

Zudugarai Rose Txakoli is with the indigenous varieties 60% Hondarrabi Beltza & 40% Hondarrabi Zuri (both native), sourced from our Zudugarai, Amats, and Landarbide vineyards.

Zudugarai Rosé was harvested at its perfect point of maturity, allowing us to maintain its characteristic elegance and freshness. The light pressing of the juice with no maceration is what gives this wine its beautiful color. Fermentation occurs in stainless steel with indigenous yeast.

TASTING NOTE: It presents a light, very open, and bright salmon color. Mineral, energetic, and full of vitality, a result of being made with the indigenous Hondarrabi Zuri and Beltza grapes. Balanced sensations of strawberries and red fruits combined with bright acidity, hints of lime, and citrus.

Winemaker: Mikel Errasti

Soil: Clay

Alcohol: 11%
