

Zudugarai White Txakoli

Txakoli Zudugarai has developed a project to create new types of quality wines within the framework of the DO Getariako Txakolina, opening new business lines parallel to the traditional txakoli market and drawing a profitable and competitive horizon with the aim of opening or consolidating new markets.

Made 100% with the indigenous variety Hondarrabi Zuri from our oldest vineyard called Zudugarai and Gaztetape. Zudugarai was harvested at its perfect point of maturity, allowing us to maintain its characteristic elegance and freshness. It has a pale-yellow color with greenish reflections, very clean and bright. On the nose, it is intense, with white fruit aromas balanced by citrus notes.

Tasting Notes: On the palate, it is fresh, mineral, and vibrant, with a balanced acidity that gives it intensity and persistence. Its texture is smooth and enveloping, with good volume. The aftertaste has pleasant salty notes.

Winemaker: Mikel Errasti

Soil: Clay

Alcohol: 11%
